Shiksa (Girlfriend)

Say Anything

Girlfriend now

I have a have a girlfriend now

No way, no how I get a girlfriend nowI remember it vividly, love.

I've been walking erect since the moment we met

And I caught your eyes to my surprise (your white thighs)

Hebraic neuroses ceased to be

And angel's conversing with me

The new attractive to me is divine

And even if your friends don't understand

No matter what, I'll always be your man

And even if you go, you know you? Il leave me feeling grand

Yeah yeah

I'll need new contraceptives, green eyes

I found god when you left him, green eyes

Let's spend the night entwined out on the boardwalk in sickly summertime

Like the yin and the yang of the afikomen

You're the omen that all has changed that was deranged

And even if you stomp me 'til I'm sore

No matter what, I'd bleed to be your whore

And even if the cancer grows until we explode, I'm yoursGirlfriend now

I have a girlfriend now

No way, no how

I get a girlfriend, now?

Well, from here on forth, I'm yours And even if your whisper eats my ear

Your voice shall be the only song I long to hear

And even if you fear the end, our sacrament of salmon and Irish beer

Will still be here

Girlfriend now

I have a girlfriend now

No way, no how

I get a girlfriend, now?Boy, I need your love, so give it to me

Boy, I need your touch, so lay it on me

Boy, I need your love, I need your touch, I'm yours?Girlfriend now

I have a girlfriend now

No way, no how

I get a girlfriend, now?Girlfriend now

I have a girlfriend now

No way, no how

She's my girlfriend now
