

# Give Me One More Chance

## Exile

Chorus\*

Won't ya give me just one more chance  
Maybe we could make a lil romance  
No reason why you and me can't get it back together  
Like it used to be  
Gimme Gimme Gimme just another try  
If I can't have you I'm gonna die  
Give me one more chance give me one more chance Do you remember how it used to be  
When we had a love so true  
You were my confidant  
You were my closest friend  
Someone that I could always turn to  
Then I played the fool let you slip right through my hands  
Ooh I let you get away Now I've come runnin back  
Hopin you will let me back in your heart someday

Chorus\*

I'm so alone here without your touch and  
It seems like a lifetime to me  
Oh darlin can't you see right now I know  
How wrong one man can be Chorus(2x)\* Oh gimme one more chance gimme one more chance
