

# Better with You

Jesse McCartney

[Verse 1]

I know it's ugly turning on the news  
There's people fighting over point of view  
Sometimes it's like there's nothing left to lose  
And I don't know what to do  
But I know it's better with you [Chorus]  
I was a wreck when you came along  
When there was nothing left  
You showed me the best  
I'm still a mess but you hold on  
Don't know just why you do  
But I know I'm better with you  
But I know I'm better with you  
But I know I'm better with you  
But I know I'm better with you

[Verse 2]

For every life there is a silent cry  
For every day there is a darker night  
Sometimes this life doesn't treat us right  
And I don't know what to do  
But I know it's better with you [Chorus]  
I was a wreck when you came along  
When there was nothing left  
You showed me the best  
I'm still a mess but you hold on  
Don't know just why you do  
But I know I'm better with you  
But I know I'm better with you  
But I know I'm better with you

[Bridge]

Wherever you are, it's never as dark  
Whenever I start slipping, you make all the difference  
Been there from the start, no matter how hard  
Whatever piece is missing, you know how to fix it [Chorus]  
I was a wreck when you came along  
When there was nothing left  
You showed me the best  
I'm still a mess but you hold on  
Don't know just why you do  
But I know I'm better with you  
But I know I'm better with you  
But I know I'm better with you
