

Demons Don't Get Me Down

Lindi Ortega

Well, I wish I had some whiskey
And I wish I had some weed
On nights when I feel so alone
Baby, that's just what I need
So I put on some old records
And I smoke a cigarette
To make myself feel better
Or as good as I can get Well, I don't feel good
But I feel all right
I ain't gonna cry myself to sleep tonight
I'm gonna put up one hell of a fight
So the demons don't get me down
Well, I wish I had some money
And I wish I had some love
But keeping my own sanity
Can be more than enough
So I'll do my best to smile
And I pick up my guitar
To sing away my sorrows
And to cure my broken heart I don't feel good
But I feel all right
I ain't gonna cry myself to sleep tonight
I'm gonna put up one hell of a fight
So the demons don't get me down I don't feel good
But I feel all right
I ain't gonna cry myself to sleep tonight
Oh, I'm gonna put up one hell of a fight
So the demons don't get me down
I don't feel good
But I feel okay
Tomorrow's gonna be a brand new day
And if those demons come out to play
I won't let 'em get me down, no I won't let 'em get me down,
I said I won't let 'em get me down
