## Violet Indiana

Wake up dreamer  
Sunshine forever  
Closeness, openness  
Safe here for both of us You're the purest feeling  
So gentle and fine  
Sweet and gorgeous  
And I know you're mine Shelter you, protect you  
Enjoy you, explore you  
My love is for you  
You know how much I adore you  
You're the purest feeling  
So gentle and fine  
Sweet and gorgeous  
Oh, and I know you're mine You're the purest feeling  
Oh, I want you to be mine  
Sweet and gorgeous, oh, I adore you  
Would you really be mine?  
Your tears can dry now  
My eyes won't cry now  
Those years behind us  
Another love has found us Sweetheart
