Dropped out of college and hopped off the porch

I said my brother blunt so big, he need a torch (light that shit up)

I got my first Mercedes-Benz and drove it straight off the course (yah, yah, yah, yah)

'Cause I do not follow no rules

600k for my jewels

100k for my Bart (yah), let it hang over my heart (for real)

I bought chains for all my niggas, would've thought I signed my niggas (17)

Where did you find yo' niggas? (for real)

I don't got time for niggas (no, no)

No, no, no, no

I don't got time, no, no

No, no, no, no, no, no
