

Hope Rising (feat. Mattie Faith)

Bryan Lanning

The sky is dark
and It's comin' down upon us.
But there is Hope
Hope where it seems absent.
and I will fight
for what's right
I will fight, I will fight!
and though this world is crumblin'
I have faith to see the truth:
It's only a matter of time before this Hope Rises in you!
There is...Hope Rising in you!
There is Hope Rising in you!
and it takes the place, The place of pain
Wherever you are, Just let it rain!
There is Hope Rising in you!
Take my hand
and guide me where you need me
and I will dance
Lying in your sweetness.
and I will stand...
for what's right
I will stand, I will stand.and though this world is crumblin'
I have faith to see the truth:
It's only a matter of time before this Hope Rises in you!There is...
Hope Rising in You!
There is...Hope Rising in You!
and it takes the place, The place of pain
Wherever you are, Just let it rain!
There is Hope Rising in you!
So let it soar...
Soar...
Soar...
You may not See...What I See...You may not know...What's really inside...There's a piece in
you...That's impossible to hide...There is Hope...and It's...Starting to Rise!There is Hope...
Rising in you!
There is Hope...
Rising in you!
Rising In You!
There is Hope Rising in you!
There is Hope Rising in you!
Feel the Hope Rising in you!
There is Hope Rising in you!

and it takes the place, The place of pain
Wherever you are, Just let it rain!
There is Hope Rising in you!
There is Hope!
So let it soar...
Soar...
Soar...
