I Want Your Attention (feat. Fiora)

Moon Boots

I've been looking Right at you But I dont think You look intoSo wont you tell me What I got to doShould I stay here Or should I make your proofI want your attention I earlied attention I need your attention I release atention I cleared every motion is like that I can tell that the cure is your skin Can be animal open yours So give you all of the sunI want your attention I earlied attention I need your attention Love is sensetion I want your attention I earlied attention I need your attention I release atention
