

Something to Believe In

Citizen Cope

They say that loving yourself
Is loving someone else
It's like you've always been right there
When I needed you Pulling through the night
Trying to get it right
'Cause this here life will test you
Over and over and over again
You keep giving me
Something to believe in
And I keep giving up
'Cause the walls are falling down
You keep giving me
Something to believe in
And I keep giving up
'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling down
Is it impossible to be learned?
Is it impossible to be taught?
'Cause anybody could get burned
And anybody could get caught Standing in the night Trying to get it right
'Cause this here life will test you
Over and over and over again
You keep giving me
Something to believe in
And I keep giving up
'Cause the walls are falling down
You keep giving me
Something to believe in
And I keep giving up
'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling down
'Cause the walls are falling...
