

I Don't Wanna Lose Your Love

The Emotions

Dinner's ready
And the wine is chilled
My baby's coming over
Well, I know just how I feel Because I don't
Wanna lose your love
Think how it feels, baby
It's gettin' harder to conceal, yeah Do I fit in the life
You've been livin', boy?
(Baby, say I do)
Do you feel all the love
I've been givin' you?
Oh, when you come home
you came to see me
Things ain't the way
They used to be, baby But I can't believe
That's your only reason
You've got to say
Just what's the reason Don't take my love
For granted, boy
And then turn around
And demand it, whoa I don't wanna lose your love
(I don't wanna)
I don't wanna lose your love
Don't wanna lose your love
(Don't wanna lose you)
I don't wanna lose your love
(Oh, come on)
Come on and say that you will
(Say you will)
I'll do the best to fulfill
(I will be there)
I don't wanna lose your love
I don't wanna lose your love I think you need my love
You can't defeat my love
(My love)
You won't believe my love
(Don't wanna lose you)
I don't wanna lose your love Hey, hey, yeah, hey, hey, well You just don't know, oh, whoa
What you do to me, well
I wanna ask you somethin'
Hey, baby, hey, baby I think we can make it
How 'bout you?

But don't just send me away
(Away)
To be alone I don't
Think I can take it 'Cause if you tell me to go
(Yeah, I will)
I will leave you alone
(For sure)
Don't ask me to stay
And do me wrong, yeah Do I fit in the life
You've been livin', boy?
(Baby, say I do)
Do you feel all my love
I've been givin' you? Whoa, I was the one
You love, most of all
Now I'm the one
You never call, baby But I don't think you really
Wanna leave me
(No, no)
I think you're confused
(No, no)
And you want to believe it You can't take love
And just walk away
(Don't take it and walk away)
With the guilt that you carry
You'll be back some day, whoa I don't wanna lose your love
(I don't wanna)
I don't wanna lose your love
Don't wanna lose your love
(Don't wanna lose you)
I don't wanna lose your love
(Well) Come on and say that you will
I'll do my best to fulfill
I don't wanna lose your love
I don't wanna lose your love I don't wanna lose your love
Don't wanna lose your love
Don't wanna lose your love
I don't wanna lose your love Yeah, hey, oh, yeah
Ooh, you just don't know
No, what you do to me
Well, well, ooh, ooh I don't wanna lose, lose your love
I don't wanna lose, lose your love
I don't wanna lose, lose your love
I don't wanna lose, lose your love
I don't wanna lose, lose your love
I don't wanna lose, lose your love
