

# And You Don't Remember

Mariah Carey

Mah baby  
Hey  
Hm Shattered dreams  
Cut through my mind  
Tragically our love has died  
Memories confine my head  
Bitterly I face the end Trustingly  
I gave myself to you  
I let you inside  
Believing your lies  
And you don't remember  
Every time you told me  
You were mine for ever  
For eternity  
Uhhuh  
And you don't remember  
How you used to hold me  
How we'd melt together  
How you needed me  
How we used to be  
In love Stranded here  
In nothingness  
With only tears  
And loneliness  
Foolishly  
I gave my soul to you  
I let you inside  
Believing your lies And you don't remember  
Every time you told me  
You were mine for ever  
For eternity  
Uhhuh  
And you don't remember  
How you used to hold me  
How we'd melt together  
How you needed me  
How we used to be  
In love Helplessly  
I fell so deep  
I was so naive  
To let you in  
Why did I let you in

To my heart(And you don't remember)

No

(Anything you told me)  
Anything that you told me  
(You were mine forever)  
You were mine forever

For eternity

Yes you will

And you don't remember  
(And you don't remember)  
How you used to hold me  
How we'd melt together

Together

How you needed me

How we used to be

In love
