

Permanent Monday

Jordin Sparks

Falling leaves, like a blanket at my feet
There's a canopy of stars and I just miss you like crazy
Suddenly the world's too big, and the hours move too slow
And I just wish that you were holding me near
Seven days, it feels like a year
You whisper through the line, you know I miss you like crazy
So baby can you steal a plane, a boat, the fastest train
You know it just don't feel the same when you're gone
Cause every time you go away, the
sunshine starts to fade
Frozen by the hands of time into a permanent Monday
Take me back into your arms, and don't ever let me go
Cause when I see you walk through that door, I'm not lost anymore
I'm home
I'm home
I won't sleep until you're finally next to me
Can't wait to breathe you in, don't wanna wast my time dreaming
I just wanna trace your name like a whisper on my skin
And never have to say goodbye again
Cause every time you go away, the sunshine starts to fade
Frozen by the hands of time into a permanent Monday
Take me back into your arms, and don't ever let me go
Cause when I see you walk through that door, I'm not lost anymore
Cause when I feel you right
her close to me, everything is where it's supposed to be
Baby!
Every time you go away, the sunshine starts to fade
Frozen by the hands of time into a permanent Monday
Take me back into your arms, and don't ever let me go
Cause when I see you walk through that door, I'm not lost anymore
I'm home
I am home
Yes I am
And I miss you like crazy
