

# Stuck

Allister

Late night  
A long day  
Somehow it's never quite enough  
And maybe  
I'm lazy  
It's been so long sometimes I feel like giving up So now I'm staying up all night  
Cause I'm trying to understand  
Why I feel like I've been stuck here forever I'll break out today  
I'm throwin' my life away  
You don't even know  
I'll break out today  
I'm throwin' my life away  
You don't even know  
You don't even know  
Maybe I'll get through  
Just one more day of feeling dumb  
I don't think I need to  
Get over this until I feel like growing up So now I'm staying up all night  
Cause I'm tryin' to understand  
Why I feel like I've been stuck here forever I'll break out today  
Throwin' my life away  
You don't even know  
I'll break out today  
I'm throwin' my life away  
You don't even know  
You don't even know  
I'll break out today  
Throwing my life away  
You don't even know  
I'll break out today  
I'm throwin' my life away  
You don't even know...(x8)
