

Undercover (Adventure Club Remix)

[Kehlani](#)

You know they don't wanna see us together
But it don't matter, no, 'cause I got you
Anytime you're under the weather
Babe we can always go I gotta pull up on you, on the east side
In the late night, in a disguise
You know I could pull up on you, keep you all night
We could stay right, on the safe side One way or another, I'ma love you
Slidin' under covers, undercover
They don't wanna see it happen but we say, "fuck it"
They don't wanna see it happen but we say, "fuck it" One way or another, I'ma love you
Slidin' under covers, undercover
They don't wanna see it happen but we say, "fuck it" (fuck 'em, ha)
They don't wanna see it happen but we say, "fuck it"
Baby they don't wanna see me be happy
'Cause they ain't happy, no, they don't got you
Somethin' 'bout the way we be acting
Babe we are magical Might just have to hit me up, on the late night
When it's game time, I don't play nice
I need you to hit me up, on my fake line
Hit that 6-9, yeah, that FaceTime, go One way or another, I'ma love you
Slidin' under covers, undercover
They don't wanna see it happen but we say, "fuck it"
They don't wanna see it happen but we say, "fuck it" One way or another, I'ma love you
Slidin' under covers, undercover
They don't wanna see it happen but we say, "fuck it"
They don't wanna see it happen but we say, "fuck it"
I'ma save your name under somethin' else
I'ma keep your things deep in myself
I'ma tweet our inside jokes to the outside world
To get you going
I'ma pick you up from the back in trains
Kept you in the world when it's all pretend
You're just you, I'm just me
There's no us, it's nothing... One way or another, I'ma love you
Slidin' under covers, undercover
They don't wanna see it happen but we say, "fuck it"
They don't wanna see it happen but we say, "fuck it" One way or another, I'ma love you
Slidin' under covers, undercover
They don't wanna see it happen but we say, "fuck it"
They don't wanna see it happen but we say, "fuck it"
