

# You're the Voice

John Farnham

We have the chance to turn the pages over  
We can write what we want to write  
We gotta make ends meet, before we get much older  
We're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun? You're the voice, try and understand it  
Make the noise and make it clear, oh, woah  
We're not gonna sit in silence  
We're not gonna live with fear, oh, woah  
This time, we know we all can stand together  
With the power to be powerful  
Believing we can make it better  
Ooh, we're all someone's daughter  
We're all someone's son, oh  
How long can we look at each other  
Down the barrel of a gun? You're the voice, try and understand it  
Make the noise and make it clear, oh, woah  
We're not gonna sit in silence  
We're not gonna live with fear, oh, woah  
Ooh, we're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?  
You're the voice, try and understand it  
Make the noise and make it clear, oh, woah  
We're not gonna sit in silence  
We're not gonna live with fear, oh, woah  
Repeat until end
