## The Ting Tings

Impacilla Carpisung  
We on me for when it's on  
people are there  
waiting to  
even if you're on it  
we aren't everything you do Now up and I'll be on  
and I'll be to into your arms  
until move on  
and I'll be punk  
Holla  
point until you turn onto your top  
on a top  
I can see if on a weekend that you're on  
I can only find a weekend that ain't to tough  
Impacta  
when I'm on it  
going all my heart  
I am doing  
by and tee  
when's your on and  
by your arm and tee And see it up and I'll be up  
And I'll be something an some(thing)  
an to on and to your arm  
and I'll be punk  
Holla to an everything  
that I'm about  
holla to  
I can see if on a weekend that you're on  
I can only find a weekend that we can see ain't to tough oh... oh oh...  
woo.woo woo... I am doing  
by and tee  
when's your on and  
by your arm and tee  
And see it up and I'll be up  
And I'll be something an some-(thing)  
-an to on and to your arm  
and I'll be punk  
Holla to an everything  
that I'm about  
holla to I can see  
if every weekend that you're on  
I can only find a weekend that we can see ain't to tough

(repeat these four lines four times total)

Can you hear it?

It's all around Say can you hear it?
