

End of the World

Dead By Sunrise

When you read the news
Does it make you sick?
Murder, money, and politics
Gonna fill you up
Get your bullshit fix
It's the end of the world
Grab your crucifix
And fall to your knees
And beg "God please, have mercy on me" (Mercy!)
When you turn on the TV
What do you get?
Sex, lies, scandal, violence
Like the end of a gun
Pressed against your lips
It's the end of the world
Grab your crucifix
And fall to your knees
And beg "God please, have mercy on me"
When you can't buy gas
And you can't pay rent
And what you've got left
Is the Government's
No win
No future
No benefit
It's the end of the world
Grab your crucifix
And fall to your knees
And beg "God please, have mercy on me"
Coming out of the hypocrisy
Coming out of the bureaucracy
Coming in to lead a war
They're a shame!
You can ignore what you cannot see
You can believe in a lie
You can run away from anything
Until you open your eyes
No rest for the wicked
Yeah, they never quit
Watching, waiting
For the next trick
We won't be celebrating
When the atom's split
It's the end of the world

Grab your crucifix
And fall to your knees
And beg "God please!, have mercy on me" Coming out of the hypocrisy
Coming out of the bureaucracy
Coming in to lead a war
They're a shame!
You can ignore what you cannot see
You can believe in a lie
You can run away from anything
Until you open your eyes Coming out of the hypocrisy
Coming out of the bureaucracy
Coming in to lead a war
They're a shame!
