

Kindness

[Ryan Adams](#)

If you're so kind
Can you let down your hand
Can you let down your hand
If you're so kind If you're so strong
Can you shelter the weak
Will you listen as the strangers speak
Bring them calm Kindness don't ask for much
But an open mind
Kindness can cure a broken heart
Honey, are you feelin kind
Do you believe in love
Do you believe in love
If you're so kind
Can you let down your hand
Will you try and understand
When it goes wrong Days come and gone
And it's been said and been done
I will shelter you with my love
And my forgiveness Kindness don't ask for much
But an open mind
Kindness can cure a broken heart
Honey are you feelin kind
Do you believe in love
Do you believe in love
Kindness don't ask for much
But an open mind
Kindness can cure a broken heart
Honey are you feelin kind
Do you believe in love
Do you believe in love
