

TRY JESUS (feat. Jabari Johnson)

Tobe Nwigwe

[Chorus: Tobe Nwigwe]

Try Jesus

Not me

Cause I throw hands [Chorus: Jabari Johnson]

Try Jesus

Please don't try me

Because I fight [Verse 1: Tobe Nwigwe]

I know what He said about getting slapped

But if you touch me or mine

We gone have to scrap

So

[Chorus: Jabari Johnson]

Try Jesus

Please don't try me

Because I fight [Verse 2: Tobe Nwigwe]

I have no problem layin' these hands

Try Jesus

Don't try me

Cause I throw hands

[Chorus: Jabari Johnson]

Try Jesus

Please don't try me

Because I fight [Verse 3: Jabari Johnson]

Ohh He said, "Turn the other cheek."

Ohh but that's one part of the Bible, that don't just sit right with me

[Chorus: Jabari Johnson]

So try Jesus

Please don't try me

Because I fight [Outro: Jabari Johnson]

I have no problem layin' these hands
