

# Back In Your Arms

B5

Can it be I stayed away too long  
Did I leave your mind when I was gone  
Girl, never meant to say good-bye  
Never meant to make you cry  
But it wasn't my fault  
I'll do everything I can  
To be a better man

So look into my heart and know...

I won't be cool

Til I'm back in your arms

Girl I need you

Want to be back in your arms

I hope to get another chance

A chance to be a man

Cause I missed you so much

Don't let another take my place

My love can't be erased

So look into your heart and know...

I won't be cool

Til I'm back in your arms

Girl I need you

Want to be back in your arms[Verse 3: Bryan (

You are my number 1

The only one I love (I love)

The only one that makes my dreams come true

Come back to me

Forget about the past

I wanna make it last forever (forever)

I won't be cool

'Til I'm back in your arms

Girl I need you

Want to be back in your arms
