Up in the club look at here what we got some (Drunk and hot girls)

Stop dancing with your girlfriend and come dance with me  
Stop talking about your boyfriend since he is not me  
Stop running up my tab cause these drinks is not free  
You drunk and hot girl

We go through too much bullshit just to mess with these drunk and hot girls  
We go through too much bullshit just to mess with these drunk and hot girls(We go- through too- much bullshit- to mess- mess with- these all-

All of these drunk and hot girls)I don't wanna drop your friends off, I just want you (You drunk and hot girl)

You wanna sit down but we hit the drive thru (You drunk and hot girl)

Please don't fall asleep baby we almost back  
Please throw up in the car we almost crashed

Oh now you sober, how'd I know you'd say that

You drunk an hot girlWe gon through too much bullshit just to mess with these drunk and hot girls

We go through too much bullshit just to mess with these drunk and hot girls(We go- through too- much bullshit- to mess- mess with- these drunk-

All of these drunk and hot girls)

Lot of dangerous necessity that people seek without regard

To where they are, the human heart

Is curious

Above all things,

Laa the lights are low

Your eyes are bright

The music, makes it sweet delight

It's out inside, I'm feeling right

Your dress is tight

Ohhh waaaa oow, I want you right nowDon't tell me you sing, you bout to get a deal

(You drunk and hot girls)

Aaa aaa aa aa aa, that's how the fuck you sound

(You drunk and hot girl)

You only live once do

Whatever you like  
I thought I'd be with you for only one night  
Now I'm with this girl for the rest of my life  
That drunk and hot girl We go through too much bullshit just to mess with these drunk and hot  
girls  
(A lil sippy sippy)  
We gon through too much bullshit just to mess with these drunk and hot girls  
(Want a little whisky)(We go- through too- much bullshit- to mess- mess with- these drunk-  
All of these drunk and hot girls)Ra ra ra ra ra ra... brrraaa
