

# Benediction (Nic Fanciulli Remix)

## Hot Natured

Hey! Feel it coming on  
I waited for so long!  
Feel it come my way  
Each and every day  
By the time I put on my shoes  
Already have the groove  
Benediction in the morning time  
Everybody riding on, and on  
On and on, keep on riding on  
On and on, keep on riding on  
On and on, keep on riding on  
Feel it coming on  
I waited for so long!  
Feel it come my way, yeah  
Each and every day  
Cause it's nothing that I can do  
Feeling true!  
Benediction in the morning time  
Everybody riding on, and on  
On and on, keep on riding on  
On and on, keep on riding on  
On and on, keep on riding on  
On and on, keep on riding on  
On and on, keep on riding on  
On and on, keep on riding on  
I feel like our love has found a home  
Feel like my love, feel like my love has found a home  
In this place I know that I belong!  
Feel like my love, feel like my love has found a home  
I feel like our love has found a home  
Benediction in my mind, benediction in my heart and soul!  
Benediction in my mind, benediction in my heart and soul!  
I feel like our love has found a home  
Feel like my love, feel like my love has found a home  
In this place I know that I belong!  
Feel like my love, feel like my love has found a home  
I feel like our love has found a home  
Benediction in my mind, benediction in my heart and soul!  
I feel like our love has found a home  
Feel like my love, feel like my love has found a home  
In this place I know that I belong!  
Feel like my love, feel like my love has found a home

I feel like our love has found a home  
Benediction in my mind, benediction in my heart and soul!  
(I feel like our love has found a home)  
Benediction in my mind, benediction in my heart and soul!
