

One Track Mind

Heffron Drive

Need a beat, need a beat
Something to move my feet
Everything that you do sounds like
Records on repeat
And I try, and I try
But I can't feel a vibe
I don't want that, I don't want that
Never sleep, never sleep
I don't have any time
Cause I'd rather be free
Than stand in a line
So I break all the rules
And I stay out of mind
Cause you want that
You ask me why
I think you're always wrong
Why we don't get along
And why I like that song
Cause I got a one track
Yeah I got a one track mind
Do it my way-ay
Do it my way-ay-ay-ay
Oh, It's the high way-ay
Cause I got a one track
Yeah I got a one track mind
When you speak, when you speak
It's the notes that I keep
I give up tryin' to see
What you're sayin' to me
And you think id'd be nice
If I took your advice
I don't want that, I don't want that
Say your peace, make your case
Then get out of my face
I don't care what you say
Cause I'll do in my way
And you know I won't stop
'Til I get to the top
Cause I want that
You ask me why
I think you're always wrong
Why we don't get along

And why I like that song
Cause I got a one track
Yeah I got a one track mind
Do it my way-ay
Do it my way-ay-ay-ay
Oh, It's the high way-ay
Cause I got a one track
Yeah I got a one track mind
Cause I want that, yeah
Cause I want that, yeah
Yeah I got a one track mind
Do it my way-ay
Do it my way-ay-ay-ay
This is my way-ay
Cause I got a one track
Yeah I got a one track mind
Yeah I got a one track mind
