Not Over You (feat. Gavin DeGraw)

Sara Evans

Dreams, that's where I have to go To see your beautiful face anymore I stare at a picture of you and listen to the radio Hope, hope there's a conversation We both admit we had it good But until then it's alienation, I know That much is understood And I realizeIf you ask me how I'm doing I would say I'm doing just fine I would lie and say that you're not on my mind But I go out and I sit down at a table set for two And finally I'm forced to face the truth, No matter what I say I'm not over you, not over you Damn, damn girl, you do it well And I thought you were innocent Took this heart and put it through hell But still you're magnificent I, I'm a boomerang, doesn't matter how you throw me I turn around and I'm back in the game Even better than the old me But I'm not even close without youIf you ask me how I'm doing I would say I'm doing just fine I would lie and say that you're not on my mind But I go out and I sit down at a table set for two And finally I'm forced to face the truth, No matter what I say I'm not over you And if I had the chance to renew You know there isn't a thing I wouldn't do I could get back on the right track But only if you'd be convinced So until then...If you ask me how I'm doing I would say I'm doing just fine I would lie and say that you're not on my mind But I go out and I sit down at a table set for two And finally I'm forced to face the truth, No matter what I say I'm not over you Not over you Not over you Not over you
