

How Much Love

Leo Sayer

Writers: Leo Sayer & Barry Mann
how much love do you need
before you give your love to me
how much time before it grows
how much love I wanna know what can I do what can I say
the last thing I want is to drive you away
how much love does it take
how much love for heaven sake
how much love how much love
do I rush right in or do I hesitate
how much love how much love how much love am I tryin' too hard
give me some kind of clue
there must be a way to get through to you
should I come on strong or do I hesitate
do I rush right in or do I wait how much love how much love
do I rush right in or do I hesitate
how much love how much love how much love
I got so much love
don't know where to begin
I'm pleadin' with you babe
you gotta let me in
