

# Hungry for Your Love

Van Morrison

I'm hungry for your love  
I'm hungry for your love  
I'm hungry for your love  
But I can wait now I'm on the telephone  
And I am all alone  
I'm on the telephone  
And we're connected I got such a lot of love  
I wanna give it to you  
I got such a lot of love  
I wanna give it to you  
I got such a lot of love  
I wanna give it to you  
And though we're far apart  
You are here in my heart  
And though we're far apart  
You're part of me now And after all the years  
And after all the tears  
And after all the tears  
There's just the truth now I got such a lot of love  
I wanna give it to you  
I got such a lot of love  
I wanna give it to you  
I got such a lot of love  
I wanna give it to you Well, I'm hungry for your love  
Hungry for your love  
Well, I'm hungry, yeah  
Well, I'm hungry for your love now  
I love you in buckskin, yeah yeah  
I love you in buckskin, yeah yeah  
I love you, I love you, I love you, I love you  
I love you, I love you, I love you, I love you  
I love you, I love you, I love you now I'm hungry for your love
