

# Wasted

## The Donnas

Wasted I can't sleep can't even breathe  
you're a devious distraction  
when you put your hands on me  
you start a chemical reaction oh oh oh  
oh oh oh oh can't think straight can't count to two  
all the risk that we've been taking  
i don't know what it is about you  
but you always leave me shaking  
Cuz' i'm a train wreck in the makin'  
it's all strung out but it's not so bad  
you're the fix i've never had  
the first time i saw your face  
i've got wasted on your love  
i'm a total wreck i'm a basketcase  
i'm a user you're my drug i can't seem to stop myself  
when it comes to indiscretion  
i left my conscience somewhere else  
another public makeout session  
it's a late night confession  
can't wake up and i can't calm down  
i want it bad i want it now the first time i saw your face  
i've got wasted on your love  
i'm a total wreck i'm a basketcase  
i'm a user you're my drug  
i'm wasted on your love  
i'm already gone  
la la lalala la la lalala  
i'm barely hanging on  
la la lalala la la lalala  
i'm passed out on your lawn  
la la lalala la la lalala  
all the damage that you've done  
you're turning me into a fiend the first time i saw your face  
oh oh oh oh  
the first time i saw your face  
oh oh oh oh (solo) the first time i saw your face  
i've got wasted on your love  
i'm a total wreck i'm a basketcase  
i'm a user you're my drug the first time i saw your face  
i'm wasted on your love (Wasted on your love)  
the first time i saw your face  
i'm wasted on your love (Wasted on your love) i'm a total wreck i'm a basketcase

i'm wasted (Wasted)wasted on your love  
the first time i saw your face  
i'm wasted (wasted) wasted on your  
(wasted)  
wasted on your love
