

Climax (feat. 6LACK)

Young Thug

You said no interest (tsh-tsh-ah)
Said you found a better climax (tsh-tsh-ah)
You said he's swagged out (tsh-tsh-ah), you leave (tsh-tsh-tsh)
It's like a shot to the back (tsh-tsh-ah)
Don't know why you think you're better for you don't want to go
(tsh-tsh-tsh, tsh-tsh)
But leave, like it's nothing (tsh-tsh-ah) You said no interest, said you found a better climax
You said he's swagged out, you leave
It's like a shot to the back
Don't know why you think you're better for you don't want to go
But leave, like it's nothing (we got London On Da Track)
I just be watching my words (words)
You say whatever the fuck (fuck)
I think I take what I get (get)
And say whatever they love (love)
This my heart for days
Now I can't find my way (ay)
Sike, know I'm just playin'
Onto the next like I'm okay
Aye, this a pimping can't you tell? (tell)
She like, "No I can't what the hell?" (hell)
Well then pull up baby, in a spell
Came out new hair, new nails
She take my heart then drive back

And she love me for the old me
Yeah, the cold me, yeah, the old me (old me, yeah)
She the homie, cop her a rollie (rollie, yeah, yeah)
You said no interest (tsh-tsh-ah)
Said you found a better climax (tsh-tsh-ah)
