

Crashing (feat. Bahari)

Illenium

Intoxicating your kiss
Intoxicating your lips
Nobody does it like this I find it hard to resist, oh-oooh
Feeling out of control, beautifully sold
What's coming over me?
It's a total eclipse of rationality I don't usually say this
I don't usually play this game
Yeah, I know I'm not faded
But it kinda feels that way
I don't usually say this
But I think I should let you know
That baby, baby I don't, I don't wanna go
How could I go home
When I feel like I belong in your arms
It's like Champagne, feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight
(Ooh-oooh) Tonight (Ooh-oooh), tonight (Ooh-oooh)
Oh-oh, so I'm crashing here tonight Hey, are you really this good?
Damn, are you really this good?
Baby, you're just like a drug
I'd bottle you up if I could, oh-oooh
Feeling out of control of your chemicals
What's coming over me?
It's a total eclipse of rationality
I don't usually say this
I don't usually play this game
Yeah, I know I'm not faded
But it kinda feels that way
I don't usually say this
But I think I should let you know
That baby, baby I don't, I don't wanna go How could I go home
When I feel like I belong in your arms
It's like champagne, feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight
(Ooh-oooh) Tonight (Ooh-oooh), tonight (Ooh-oooh)
Oh-oh, so I'm crashing here tonight How could I go home
When you're all I wanna know?
Come on, let me see your bed
It's too late for this to end
Yeah, I got myself too drunk on you to drive

So I'm crashing here tonight How could I go home
When I feel like I belong in your arms
It's like Champagne, feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight
(Ooh-ooh) Tonight (Ooh-ooh)
Yeah I'm crashing here tonight (Ooh-ooh)
Oh-oh, so I'm crashing here tonight
