

# I'd Do Anything for Love (But I Won't Do That)

## Meat Loaf

And I would do anything for love,  
I'd run right into hell and back  
I would do anything for love,  
I'll never lie to you and that's a fact  
But I'll never forget the way you feel right now,  
Oh no, no way.  
And I would do anything for love,  
Oh I would do anything for love,  
I would do anything for love,  
But I won't do that  
No I won't do that  
Anything for love  
Oh I would do anything for love,  
I would do anything for love  
But I won't do that  
No I won't do that  
And some days, it don't come easy  
And some days it don't come hard  
Some days it don't come at all  
And these are the days that never end  
And some nights you're breathing fire  
And some nights you're carved in ice  
Some nights you're like nothing I've ever seen before  
Or will again  
And maybe I'm crazy  
Oh it's crazy and it's true  
I know you can save me  
No one else can save me now but you  
As long as the planets are turning  
As long as the stars are burning  
As long as your dreams are coming true  
You better believe it  
That I would do anything for love  
I'll be there till the final act  
And I would do anything for love!  
And I'll take the vow and seal a pact  
But I'll never forgive myself if we don't go all the way  
Tonight  
And I would do anything for love  
Oh I would do anything for love  
Oh I would do anything for love  
But I won't do that  
No I won't do that  
I would do anything for love  
Anything you've been dreaming of

But I just won't do that  
I would do anything for love  
Anything you've been dreaming of  
But I just won't do that  
I would do anything for love  
Anything you've been dreaming of  
But I just won't do that And someday I pray for silence  
And someday I pray for soul  
Somedays I just pray to the God of Sex and Drums and Rock 'N Roll. And some nights I lose  
the feeling  
And some nights I lose control  
Some nights I just lose it all when I watch you dance and the thunder rolls And maybe I'm lonely  
That's all I'm qualified to be  
There's just one and only  
The one and only promise I can keep As long as the wheels are turning  
As long as the fires burning  
As long as your prayers are coming true  
You better believe it That I would do anything for love  
And you know it's true and that's a fact  
And I would do anything for love  
And there'll never be no turning back But I'll never do it better than I do it with you  
So long  
So long  
And I would do anything for love  
Oh I would do anything for love  
I would do anything for love  
But I won't do that  
No, no, no I won't do... I would do anything for love  
Anything you've been dreaming of  
But I just won't do that I would do anything for love  
Anything you've been dreaming of  
But I just won't do that I would do anything for love  
Anything you've been dreaming of  
But I just won't do that I would do anything for love  
Anything you've been dreaming of  
But I just won't do that I would do anything for love  
Anything you've been dreaming of  
But I just won't do that I would do anything for love  
Anything you've been dreaming of  
But I just won't do that I would do anything for love  
Anything you've been dreaming of  
But I just won't do that But I'll never stop dreaming of you every night of my life  
No way  
And I would do anything for love  
Oh I would do anything for love  
Oh I would do anything for love  
But I won't do that  
No I won't do that Will you raise me up?  
Will you help me down?

Will you get me right out of this Godforsaken town?  
Will you make it all a little less cold?I can do that!  
Oh I can do that!Will you hold me sacred?  
Will you hold me tight?  
Can you colorize my life I'm so sick of black and white?  
Can you make it all a little less old?I can do that  
Oh oh now i can do thatWill you make me some magic with your own two hands?  
Can you build an emerald city with these grains of sand?  
Can you give me something I can take home?Now I can do that  
Oh now I can do thatWill you cater to every fantasy I got?  
Will you hose me down with holy water, if I get too hot! (HOT)?  
Will you take me places I've never known?Now I can do that  
Oh, oh now I can do that!After a while to forget everything  
It was a brief interlude and a midsummer night's fling  
And you'll see that its time to move onI won't do that  
I won't do thatI know the territory  
I've been around  
It'll all turn to dust  
And we'll all fall down  
And sooner or later you'll be screwing aroundI won't do that!  
No, I won't do that!Anything for love  
Oh I would do anything for love  
I would do anything for love  
But I won't do that  
No I won't do that
