## I'd Do Anything for Love (But I Won't Do That)

## Meat Loaf

And I would do anything for love,

I'd run right into hell and back

I would do anything for love,

I'll never lie to you and that's a factBut I'll never forget the way you feel right now,

Oh no, no way.

And I would do anything for love,

Oh I would do anything for love,

Iwould do anything for love,

But I won't do that

No I won't do that Anything for love

Oh I would do anything for love,

I would do anything for love

But I won't do that

No I won't do that

And some days, it don't come easy

And some days it don't come hard

Some days it don't come at all

And these are the days that never end

And some nights you're breathing fire

And some nights you're carved in ice

Some nights you're like nothing I've ever seen before

Or will againAnd maybe I'm crazy

Oh it's crazy and it's true

I know you can save me

No one else can save me now but youAs long as the planets are turning

As long as the stars are burning

As long as your dreams are coming true

You better believe it

That I would do anything for love

I'll be there till the final act

And I would do anything for love!

And I'll take the vow and seal a pact

But I'll never forgive myself if we don't go all the way

**Tonight** 

And I would do anything for love

Oh I would do anything for love

Oh I would do anything for love

But I won't do that

No I wont do thatI would do anything for love

Anything you've been dreaming of

But I just won't do that I would do anything for love Anything you've been dreaming of

But I just won't do that

I would do anything for love

Anything you've been dreaming of

But I just won't do thatAnd somedays I pray for silence

And somedays I pray for soul

Somedays I just pray to the God of Sex and Drums and Rock 'N Roll.And some nights I lose the feeling

And some nights I lose control

Some nights I just lose it all when I watch you dance and the thunder rollsAnd maybe I'm lonely That's all I'm qualified to be

There's just one and only

The one and only promise I can keepAs long as the wheels are turning

As long as the fires burning

As long as your prayers are coming true

You better believe itThat I would do anything for love

And you know it's true and that's a fact

And I would do anything for love

And there'll never be no turning backBut I'll never do it better then I do it with you

So long

So long

And I would do anything for love

Oh I would do anything for love

I would do anything for love

But I won't do that

No, no, no I won't do...I would do anything for love

Anything you've been dreaming of

But I just wont do thatI would do anything for love

Anything you've been dreaming of

But I just wont do thatI would do anything for love

Anything you've been dreaming of

But I just wont do thatI would do anything for love

Anything you've been dreaming of

But I just wont do thatI would do anything for love

Anything you've been dreaming of

But I just wont do thatI would do anything for love

Anything you've been dreaming of

But I just wont do that I would do anything for love

Anything you've been dreaming of

But I just wont do that But I'll never stop dreaming of you every night of my life

No way

And I would do anything for love

Oh I would do anything for love

Oh I would do anything for love

But I won't do that

No I won't do that Will you raise me up?

Will you help me down?

Will you get me right out of this Godforsaken town?
Will you make it all a little less cold?I can do that!
Oh I can do that!Will you hold me sacred?
Will you hold me tight?

Can you colorize my life I'm so sick of black and white?

Can you make it all a little less old? I can do that

Oh oh now i can do that Will you make me some magic with your own two hands?

Can you build an emerald city with these grains of sand?

Can you give me something I can take home? Now I can do that

Oh now I can do thatWill you cater to every fantasy I got?
Will you hose me down with holy water, if I get too hot! (HOT)?
Will you take me places I've never known?Now I can do that
Oh, oh now I can do that!After a while to forget everything

It was a brief interlude and a midsummer night's fling And you'll see that its time to move onI won't do that

I won't do thatI know the territory
I've been around
It'll all turn to dust
And we'll all fall down

And sooner or later you'll be screwing aroundI won't do that!

No, I won't do that!Anything for love

Oh I would do anything for love

I would do anything for love

But I won't do that

No I won't do that
