

# 4 Carats

Kelly Clarkson

The door's unlocked  
And you don't even have to knock  
Or you can use the fireplace  
I'll be waiting either way You come and go  
And no one is supposed to know  
But ever since you caught my stare  
You know I know that you are real Well Santa I've been thinking  
And I just need one thing  
You to bring me  
Something shiny Like a diamond ring  
Just a little something from Tiffany's  
Or a big ruby  
You know red has always looked good on me  
I won't tell anyone  
I've been good all year long  
Oh Santa make my Christmas theme  
4 carats please Oh oh  
Oh oh  
It's getting late  
I know you have your rounds to make But I've been waiting up for you  
And now the clock has just struck 2  
I'm looking out my windows  
Looking for a red nose My heart's sinking  
Don't forget me  
Or my diamond ring  
Just a little something from Tiffany's  
Or a big ruby  
You know red has always looked good on me  
I won't tell anyone  
I've been good all year long Oh Santa make my Christmas theme  
4 carats please  
Oh oh  
Oh oh  
Mm, something sparkly  
Yellow canaries Oh yea yea  
Mm, I'm waiting patiently  
Santa don't forget me  
Don't forget me! Oh my diamond ring  
Just a little something from Tiffany's  
Or a big ruby  
You know red has always looked good on me  
I won't tell anyone

I've been good all year long  
Oh Santa make my Christmas theme  
4 carats please  
Oh oh  
Oh oh  
Oh oh  
Oh oh
