

# What I need (feat. Kehlani)

## Hayley Kiyoko

[Verse 1: Kehlani]

All the back and forth getting complicated  
Running me around got me frustrated, no  
That's why I been laying low  
If you wanna make it work, baby, gotta say it  
Need a little more than participation  
Or, I could go be on my own[Pre-Chorus: Hayley Kiyoko]  
Sure I would kiss you, I'll lay with you  
You're broke, no, I can't fix you  
I won't, no, I won't diss you  
But babe, yeah, I might miss you  
If you're cold and needed shelter  
I'd hold you, but not sweat ya  
And know we're not together  
But babe, I won't forget ya

[Chorus: Kehlani & Hayley Kiyoko]

What I need, what I need, what I need  
Is for you to be sure, no no no  
For you to be sure, no no no  
For you to be sure, no no no  
What I need, what I need, what I need  
Is to tell me that it's yours, no no no  
And who you do it for, no no no  
Need you to be sure, no no no, no no  
Need you to be sure

Need you to be sure[Verse 2: Hayley Kiyoko]

When we're all alone, girl, you wanna own it  
When we're with your fam, you don't wanna show it  
Oh, you try to keep us on the low  
I only want a girl who ain't afraid to love me  
Not a metaphor of what we really could be

[Pre-Chorus: Hayley Kiyoko]

Sure I would kiss you, I'll lay with you  
You're broke, no, I can't fix you  
I won't, no, I won't diss you  
But babe, yeah, I might miss you  
If you're cold and needed shelter  
I'd hold you, but not sweat ya  
And know we're not together  
But babe, I won't forget ya[Chorus: Kehlani & Hayley Kiyoko]  
What I need, what I need, what I need  
Is for you to be sure, no no no

For you to be sure, no no no  
For you to be sure, no no no  
What I need, what I need, what I need  
Is to tell me that it's yours, no no no  
And who you do it for, no no no  
Need you to be sure, no no no, no no  
Need you to be sure  
Need you to be sure  
Need you to be sure  
Need you to be sure[Bridge: Kehlani & Hayley Kiyoko]  
We could be bigger and brighter than space  
Ain't no running away  
No, real loving is sure  
The way that I love, there's no taking my place  
Staring you right in your face  
No, don't look away no more[Pre-Chorus: Kehlani & Hayley Kiyoko]  
I would kiss you, I'll lay with you  
You're broke, no, I can't fix you  
I won't, no, I won't diss you  
But babe, yeah, I might miss you  
If you're cold and needed shelter  
I'd hold you, but not sweat ya  
And know we're not together  
But babe, I won't forget ya[Chorus: Kehlani & Hayley Kiyoko]  
What I need, what I need, what I need  
Is for you to be sure, no no no  
For you to be sure, no no no  
For you to be sure, no no no  
What I need, what I need, what I need  
Is to tell me that it's yours, no no no  
And who you do it for, no no no  
Need you to be sure, no no no, no no  
Need you to be sure  
Need you to be sure  
Need you to be sure  
Need you to be sure
