

# Midnight Show

## The Killers

I know what you want  
I'm gonna take you to a midnight show tonight  
If you can keep a secret  
I got a blanket in the back seat on my mind And a little place that sits beneath the sky  
She turned her face to speak, but no one heard her cry Drive faster, boy  
Drive faster, boy I know there's a hope  
There's too many people tryin' to help me cope  
You got a real short skirt  
I wanna look up, look up, look up, yeah, yeah  
We were just in time let me take a little more off your mind  
There's something in my head, somewhere in the back sayin'  
We were just a good thing, we were such a good thing Make it go away without a word  
But promise me you'll stay and fix these things I've heard Make it go away  
Drive faster, boy, oh no The crashing tide can't hide a guilty girl  
With jealous hearts that start with gloss and curls  
I took my baby's breath beneath the chandelier  
Of stars and atmosphere, and watched her disappear Into the midnight show  
Faster, faster, faster, faster, faster, faster  
Oh, no no no no no no, no no no no no  
If you can keep a secret  
Well, baby I can keep, if you can keep a secret  
(She said she loved me)  
If you can keep a secret, I can keep a secret  
(She said she loved me)  
If you can keep a secret  
Well, baby I can keep, if you can keep a secret
