

# Overwhelming

Matt OX

Posted in the trenches, yeah that's where I'm flexin  
Philly what I'm repping, OogieMane he killed it  
Matt Ox in the building, boutta break the ceiling  
I don't think you feel me, am I too overwhelming? Posted in the trenches, yeah that's where I'm  
flexin  
Philly what I'm repping, OogieMane he killed it  
Matt Ox in the building, boutta break the ceiling  
I don't think you feel me, am I too overwhelming?  
I don't think they know where I be at  
I don't think they know who I be with  
Yeah I'm headed to the top for the millions  
And I'm staying with my gang, I ain't scheming  
Used to hate on me, used to sleep on me  
Now I'm almost at the top where I was dreaming to be  
Now they waiting for a song, they be fiending on me  
Now alliance of my homies still hustle on the streets  
Yea I'm in the kitchen, and you know I'm whippin'  
All my sauce is dripping, dip my chicken in it  
Boy you know I'm flexin', yeah I'm up next man Riding in the Lexus, my homies get big checks  
When I'm in the hood I'm the big bad wolf  
I be getting to this guap and it never is enough  
I'mma get all this money til' my bank is filled too much  
I don't know why they fuss, they ain't ready for us  
Posted in the trenches, yeah that's where I'm flexin  
Philly what I'm repping, OogieMane he killed it  
Matt Ox in the building, boutta break the ceiling  
I don't think you feel me, am I too overwhelming?  
Posted in the trenches, yeah that's where I'm flexin  
Philly what I'm repping, OogieMane he killed it  
Matt Ox in the building, boutta break the ceiling  
I don't think you feel me, am I too overwhelming?
