

Toulouse

Daniel Romano

Toulouse
You got me smiling
And I'm-a shining up in tuoton shoes(?)
'Cus I never had nothing
I was low down buzzin'
Now I sure got a lot to lose Toulouse
I ain't denying
That I've been crying
But it ain't the blues
'Cus I never had something
That was every worth nothing
Now I sure got a lot to lose
Whoohoo whoohoo
I'm-a talking to you
(Oh I love you too)
And I'm-a gonna grab you tight and never hold you too loose
(Toulouse)Toulouse
You got me smiling
And I'm-a shining up in tuoton shoes(?)
'Cus I never had nothing
I was low down buzzin'
Now I sure got a lot to lose
Whoohoo whoohoo
I'm-a talking to you
(Oh I love you too)
And I'm-a gonna grab you tight and never hold you too loose
(Toulouse)
And I'm-a gonna grab you tight and never hold you too loose
(Toulouse)Toulouse
