

She Brings the Lightnin' Down

John Rich

One look and you know what's coming
Storm cloud is moving in
Ain't no use in running
Just take it like a man Oh, Lord, what have you started
Cold front is settin' in
Shelter, no, you can't find it
Judgment day is here again Oh, you better find some cover
Ooh, when you hear that rumblin' sound
Mmm, 'cause there ain't no warning
Oh, when your woman comes unwound yeah
She brings the thunder, she brings the lightning down
The straight line that you've been walking
Lately is wearing thin
You can't help but cross it
Every now and then Oh, you better find some cover
Ooh, when you hear that rumblin' sound
Mmm, 'cause there ain't no warning
Oh, when your woman comes unwound yeah
She brings the thunder, she brings the lightning down
Oh, you better find some cover
Ooh, when you hear that rumblin' sound
Mmm, 'cause there ain't no warning
Oh, when your woman comes unwound, yeah
She brings the thunder, she brings the lightning down
