

# Dragon Days

## Alicia Keys

Yeah, ooh baby Like a damsel in distress, I'm stressin' you  
My castle became a dungeon  
'Cause I'm longin' for you  
(Longin' for you babe) Feelin' strong for you  
You're my knight in shining armour  
See your face in a silver moon  
Oh, all over the lagoon And it feels like, dragon days  
And the fire's hot  
Like the desert needs water  
I need you a lot  
Dragon days  
I need to be saved  
I'm missin' you  
(And the days drag on and on) Desperate for you baby  
Do you know what that means?  
(It means I feel like)  
I feel like an addict must feel when he fiends In an act of desperation  
I get lost in my dreams  
'Cause like a lady in waiting, I'm waitin' for ya  
(Like a)  
Like a prisoner tied over alligator waters Waiting for my  
Prince of paradise to come  
And to take me away, from these  
(Tock tick)  
Dragon days  
And the fire's hot  
Like the desert needs water  
I need you a lot  
(So bad baby) Dragon days  
I need to be saved  
I'm missin' you  
(And the days drag on and on)  
Don't you wanna play? (D R A G O N days)  
(Got me D R A G G I N)  
'Cause I want you babe  
And I need you baby  
(Say) Dragon days  
And the fire's hot  
Like the desert needs water  
I need you a lot  
(I need a lot, I need you so bad) Dragon days  
I need to be saved

I'm missin' you  
(And the days drag on and on and on and on and)  
Dragon days  
And the fire's hot  
Like the desert needs water  
I need you a lot  
(I need a lot, I need you so bad)  
Dragon days  
I need to be saved  
I'm missin' you  
(And the days drag on and on)  
Drag on, drag on, yeah
