

Is It the Beat?

Selena

That sounds close I know that you've got my lead
Am I so easy to read
My eyes must be speaking your name
My touch must burn like a flame
I believe
That love doesn't come when you planned
Here I am
Caught up with these feelings I don't understand (Chorus)
Is it the beat or the beat of your heart
Is it the music or is the body talk
How did you move me and how did you start
Is it the beat or the beat of my heart
That sounds close Night falls and I seem to change
Near you, I'm acting so strange
I know we've only just met
But dreaming has gone through my head
You and I see nobody else in the place
Met your smile

Answer the question, don't read on my fate (Chorus) Sabes que te quiero y sin ti me desespero
Eres tu mi todo y yo sin ti me muero
Eres mi alegria en cada despertar
Yo quiero a tu lado yo poder estar (Chorus 2x)
Is it the beat of your heart
Is it the beat of your heart
Is it the music or is the body talk
Is it the music or is the body talk
Is it the music or is the body talk
Is it the music or is the body talk
