

# Aha!

## Pentatonix

A-ha!

A-ha!

A-ha! Eat, sleep and breathe it, you're full of the stuff

Go back, get tied up tight

Wheat meat, dairy free tea total happy clappy high on life

You should try it

You should know (You should know) x2 go on while no one's looking

A-ha!

Caught you now

Caught your red handed in the biscuit tin

Cost you to keep me quiet

A-ha! La la la la...

Golden boy boots, pocket pedestal, making sharp smart moves

Plastic, tin can, paper, separated

Busy bee wave, wave save the planet flag But sneaky in suburbia

A-ha!

Candid camera

the line and sinker for the four-wheel drive

Cost you to keep me quiet Keep me quiet (keep me quiet)

La la la la ...

Aaaaah...

Nicest sweetest, utmost in everything

It's so charming, very charming

Well, reckon play the fool no one's ill at ease

And put the deepest Swiss bank trust in you

No one saw it coming

Aaaaah...

Cost you to keep me quiet

A-ha!

Lalala...

Hey!
