## Don't Let Me Be Misunderstood

## **Elvis Costello**

Baby, can you understand me now? Sometimes I feel a little mad Don't you know that no one alive can always be an angel? When things go wrong I seem to be madI'm just a soul whose intentions are good Oh Lord, please don't let me be misunderstoodBaby, sometimes I'm so carefree With a joy that's hard to hide Other times it seems that all I have to do is worry And then I know you're bound to see my other side I'm just a soul whose intentions are good Oh Lord, please don't let me be misunderstoodIf I get edgy I want you to know That I never mean to take it out on you Life has its problems and I get my share But that is one thing I would never do 'cause I love youOh, don't you know I'm human? I've got my faults just like anyone Sometimes I lie awake long regretting Some foolish thing, some sinful thing I've doneI'm just a soul whose intentions are good Oh Lord, please don't let me be misunderstood I'm just a soul whose intentions are good Oh Lord, please don't let me be misunderstoodI'm just a soul whose intentions are good Oh Lord, please don't let me be misunderstood Song Discussions is protected by U.S. Patent 9401941.
