Down

Marian Hill

Didn't even really wanna go But if you get me out, you get a show There's so many bodies on the floor So baby we should go and add some more Are you down, d-d-down, d-d-down, down, down? Down, d-d-down, d-d-down, down, down? Everywhere I look are peoples' hands Thrown up in the air to help them dance Come on, baby, catch me if you can I know you don't have any other plans Are you down, d-d-down, d-d-down, down, down? Down, d-d-down, d-d-down, down, down? Are you... down, down, d-down, down? Down, down, d-down, down, d-down, down? Are you down, are you down, are you d-d-down? Down, down, d-down, down, d-down, down? Are you down, are you down, are you d-d-d-down, are you Down, are you down, are you d-ddown, are you? Down, down, d-down, down, d-down, down? Down, down, down, d-d-down? You know we could put them all to shame Now isn't the time to play it safe Isn't this the reason why you came? So, baby, don't you let it go to waste Are you down, d-d-down, d-d-down, down, down? Down, d-d-down, d-d-down, down, down? Every single thing is feeling right Started as a quiet Friday night I don't really think that we should fight this What if we don't stop until it's light? Are you down, d-d-down, d-d-down, down, down? Are you down, d-d-down, d-d-down, down, down? Are you... down, down, d-down, down? Down, down, d-down, down, d-down, down? Down, down, d-down, down, d-down, down? Down, down, d-d-down, down, d-down, down? Are you down, are you down, are you d-d-d-down, are you Down, are you down, are you d-ddown, are you? Down, down, d-down, down, d-down, down? Down, down, down, d-d-down? Are you, are you, are you d-d-down, down? Are you, are you... down...are you?

Down, down, d-d-down, down, d-down, down? Are you down, are you down, are you d-d-d-d-down, are you Down, are you down, are you d-d-d-down, are you? Down, down, d-d-down, down, d-down, down? Down, down, d-d-d-down, are you Down, are you down, are you d-d-d-d-down, are you? Are you down, are you down, are you d-d-d-d-down, are you Down, down, d-d-d-down? Are you down, are you down, are you d-d-d-d-down, are you Down, are you down, are you d-d-d-d-down, are you Down, are you down, are you d-d-d-down, are you? Down, down, d-d-d-down, down, d-down, down, d-down, down?
