## **Drag**

## **Placebo**

You're always ahead of the game I drag behind

You never get caught in the rain When I'm drenched to the bone every time You're the first one to swim across the Seine

I lag behind

You're always ahead of the game While I drag behindI drag behind

I drag behind

I drag behind

I drag behind

You're always ahead of the pack

I drag behind

You posses every trait that I lack

By coincidence or by design

You're the monkey I've got on my back

That tells me to shine

You're always ahead of the pack

While I drag behindI drag behind

I drag behind

You're always ahead of the rest

When I'm always on time

You got As on your algebra tests

I failed and they kept me behind

I just gotta get off my chest

That I think you're divine

You're always ahead of the rest

While I drag behindI drag behind

I drag behind
