

# iSpy (feat. Lil Yachty)

## KYLE

Kodak Black I ain't been gettin' high  
Well, maybe a little, baby, I don't wanna lie  
I know when you text me girl, I don't always reply  
Well, you're not an angel either, you can't even fly  
I notice, you think that you know shit  
All this shade that's coming at me, I wonder who throws it  
I got tunnel vision and these niggas out of focus  
Superduper sniper gang, don't get hit with the scope, kid, oh shit  
Otay, pray them niggas go away  
Always hella clowns around it look like Cirque Du Soleil  
This went hella platinum, nigga it was just a throwaway  
My album so cold when it drop, it's gonna be a motherfucking snow day  
Aye, boy is good and he knows it, he don't say it, he shows it  
I'm just like DeRozan, if I shoot it, it goes in  
I am in Cali just coastin', get 'em so wet they need coasters  
I got a selfie with Oprah, but I still ain't gonna post it  
And I'm in my happy place posted, I ain't frown since '06  
I ain't cried since '01, they freed Lil Kodak, the kids back let's throw somethin  
You can come back to mine though, your friend ain't cute, but it's fine though  
We gon' end on a high note  
I spy with my little eye  
A girlie I can get 'cause she don't get too many likes  
A curly-headed cutie I can turn into my wife  
Wait, that means forever, ever, hold up, never mind  
Oh, I... I spy with my little eye  
A girlie I can get 'cause she don't get too many likes  
A curly-headed cutie I can turn into my wife  
Wait, that means forever, ever, hold up, never mind  
Oh, I, I spy with my little eye  
I spy, I spy with my little eye  
Oh, I, I spy with my little eye  
I spy, I spy with my little eye  
Oh, I... (Ooooooooooooo yeah)  
I could spot you from a hundred miles away, oh  
I can see you through my Jim Maui shades, aye  
When I pull up, I'm in a black Audi a8, aye  
Leave your man 'cause he ain't nothin' like me, babe  
I've been trying to get my blower 'cause I ain't never wanting to be linking up  
I don't ever wanna be doing features  
I stay far away from these people  
Said she love me, but I don't believe her  
Yeah I want you, but I don't need ya

Even when I ain't lookin', I see ya  
You can't even see me, but I see ya  
I'm just chilling, smokin' reefer  
Dropping codeine in a liter  
I've got more stripes than a Zebra  
I'm a Gemini, she's a Libra  
Pulling stunts like Evil Kenevile  
Once I freak her, I'm gonna delete her  
I was just talking to Auntie Rita  
Told her "stay out here 'cause we need ya" aye aye  
I ain't stalking, but I see ya over there, yeah  
Yeah I'm watching 'cause this Sniper Gang for real, yeah  
Hit the Dentist, and I'll put diamonds in my grill, yeah  
Don't think I'm soft girl, I'm just showing you how I feel  
Aye, yeah yeah yeah, pulled up on a pill  
Aye, yeah yeah yeah, can see ya from over here  
Aye, yeah baby girl I can see you in a lift  
See you riding in a spliff  
I put VV's in your ear, aye I spy with my little eye  
A girlie I can get 'cause she don't get too many likes  
A curly-headed cutie I can turn into my wife  
Wait, that means forever, ever, hold up, never mind  
Oh, I... I spy with my little eye  
A girlie I can get 'cause she don't get too many likes  
A curly-headed cutie I can turn into my wife  
Wait, that means forever, ever, hold up, never mind Oh, I, I spy with my little eye  
I spy, I spy with my little eye  
Oh, I, I spy with my little eye  
I spy, I spy with my little eye  
Oh, I
