

# Evolution

## Cat Power

Better call the ships, they been caught sailing  
Better call the captain, he's been caught stealing  
Better call the porter man, he's been caught leaving  
Better call all the guys on the deck, they've been caught with no feeling  
Better call the fisherman, 'cause they're coming on land  
Better call the head nurse, wrap us up, to throw us in the dirt  
Better call with some resistance, better way to feel no shame  
Better call with some persistence, that way you feel nothing at all  
Better call on evolution  
Better way to make a revolution  
Better make your mind up quick  
Better make your mind up quick
