## The Mighty Fall (feat. Big Sean)

## **Fall Out Boy**

Oh God!

Sean Don

Fall Out... boy!Did-did you trip down 12 steps into Malibu (Malibu, ooh, ooh)

So why the hell is there a light that's keeping us forever Bel Air baby, did you get dressed up?

Pretty pout, pout

(While you bottomed out out)

I can't stop it when there's chemicals keeping us together

Uh, uh, uh, I'm singing

Whoa, how the mighty fall

The mighty fall

The mighty fall

They fall in love

How the mighty fall

The mighty fall

The mighty fall

Oh how the mighty fall in loveYour crooked love is just a pyramid scheme

And I'm dizzy on dreams (and I'm dizzy on dreams)

But if you ask me two's a whole lot lonelier than one

B-baby we should have left our love in the gutter where we found it

(Gutter where we found it)

Cause you think you think your only crime is that you got caught

I'm singing

Whoa, how the mighty fall

The mighty fall

The mighty fall

They fall in love

How the mighty fall

The mighty fall

The mighty fall

Oh how the mighty fall in loveIt's getting clear

You're never coming clean

So I'll lock you up inside

And swallowSwallow the key

Hello?

Yeah I know you said not to call unless I'm dying

But I'm driving and I can't stop staring at my eyelids

But even though my eyes closed, I still see you

I just hope that when you see me I'm not see-through

You know how we do

Some times I swear, I need a day just for me to lay

With some T and A, but the way we, they way we is do deeper Baby straight up chemistry DNA Make me wanna give you every dollar out my B of A

Like, I let her climb on top

I'm either fuckin' or workin', so the grind don't stop

They say I got screws missing, well hell, only when I'm missing you And hell yeah I'm addict, girl, addicted to youWhoa, how the mighty fall

The mighty fall
The mighty fall
They fall in love
How the mighty fall
The mighty fall

The mighty fall

Oh how the mighty fall in love
