

Galveston

Glen Campbell & Jimmy Webb

Galveston, oh Galveston
I still hear your sea winds blowing
I still see her dark eyes glowing
She was 21
When I left GalvestonGalveston, oh Galveston
I still hear your sea waves crashing
While I watch the cannons flashing
I clean my gun
And dream of GalvestonI still see her standing by the water
Standing there looking out to sea
And is she waiting there for me?
On the beach where we used to run
Galveston, oh Galveston
I am so afraid of dying
Before I dry the tears she's crying
Before I watch your sea birds flying in the sun
At Galveston, at Galveston
