

No Chains On Me

[Chris Tomlin](#)

This is the dream, a dream for the world to see You
A dream for the world to know You, to love Your name
Lift up a shout, lift up a cry to shake the
ground

Shout and the walls are coming down
Yeah, we're running after You
Like a rolling stone, like a runaway train
No turning back, no more yesterdays
My heart is free, no chains on me
God, You raise me up, up from the grave
The cross before, I'm on my way
My heart is free, no chains on me
Now is the time, now is the time for freedom
Abandoned by cold religion, my heart on fire
We hear the sound, the sound of revival coming
The sound of Your people rising
Yeah, we're running after You
The walls are coming down
