

# Two Weeks

## Grizzly Bear

Save up all the days  
A routine malaise  
Just like yesterday  
I told you I would stay Would you always?  
Maybe sometimes?  
Make it easy?  
Take your time Think of all the ways  
Momentary phase  
Just like yesterday  
I told you I would stay  
Every time you try  
Quarter half a mile  
Just like yesterday  
I told you I would stay Would you always?  
Maybe sometimes?  
Make it easy?  
Take your time  
Would you always?  
Maybe sometimes?  
Make it easy?  
Take your time  
Always  
Sometimes  
Easy  
Time
