

The Shape I'm In

Marc Scibilia

I don't care about money
Or how you're gonna pay me
I don't care about money
You're never gonna change me
I don't care about money
But you've still got to pay me
And that is what's up, that is what's up, that is what's up, yeah
You say hey man how you been?
Have you seen the shape I'm in?
Get down get back up again
Have you seen the shape I'm in?
All these miles I'm travellin'
Have you seen the shape I'm in?
The shape I'm in, the shape I'm in, yeah
Have you seen the shape I'm in?
Starin' at this stone wall
Thinkin' 'bout ya, baby
I pick up your phone call,
I been missing you lately
And you say it's been a bad day
And I say it's been crazy
And that is what's up, that is what's up, that is what's up, yeah
You say hey man how you been?
Have you seen the shape I'm in?
Get down get back up again
Have you seen the shape I'm in?
All these miles I'm travellin'
Have you seen the shape I'm in?
The shape I'm in, the shape I'm in, yeah
Have you seen the shape I'm in?
Alright yeah,
When I get back home, gonna have a good time
Call up the fellas in the 615
And play music, have some fun
Play the bass, come on play those drums
And my lady, she gonna give me a kiss
Say to myself don't get used to it
Don't get used to it
You say hey man how you been?
Have you seen the shape I'm in?
Get down get back up again
Have you seen the shape I'm in?

All these miles I'm travellin'
Have you seen the shape I'm in?
The shape I'm in, the shape I'm in, yeah
Have you seen the shape I'm in?
The shape I'm in, the shape I'm in, yeah
Have you seen the shape I- I'm in
